

BED-STUY CREATE & CONNECT FUND

2021 BED-STUY CREATE & CONNECT FUND

ABOUT THE LAUNDROMAT PROJECT

The Laundromat Project (LP) is a Black-rooted and People of Color-centered, New York City arts organization dedicated to advancing artists and neighbors as change agents in their own communities. In 2020, we marked our 15th anniversary with a new home at 1476 Fulton Street in Bed-Stuy, Brooklyn. We are looking forward to the space serving as an arts and cultural community hub where we can grow, learn, adapt, and build long-term relationships of mutual support with neighbors, communities, and organizations.

As an arts organization, we believe that art, creativity, and culture play an essential role in bringing people together to share stories and perspectives while also nurturing joy, celebration, and liberation. As we make a new home in Bed-Stuy, we aim to honor Bed-Stuy's rich creative ecology, amplify cultural legacies, support local artists, neighbors, and uplift Bed-Stuy's history as a Black diasporic neighborhood.

ABOUT THE BED-STUY CREATE & CONNECT FUND

The Bed-Stuy Create and Connect Fund seeds and supports the creative ideas and civic actions of artists, cultural practitioners, community builders, organizers, and makers in Bedford-Stuyvesant, Brooklyn. We will provide \$1000 grants towards each funded project, for a total of up to 12 proposals. We are looking for creative initiatives and projects that are rooted in community, foster connections, and ignite conversations and/or collaborations. In other words, we support community building amongst neighbors.

We encourage you to apply if you have a new creative project or an ongoing/long-term initiative that positively impacts and engages a group, audience, or community in Bed-Stuy. We are particularly interested in proposals that nurture creativity and uplift collective recovery, and/or community wellness. Proposals can be for ideas that are virtual, in-person (with appropriate COVID-19 safety precautions in place), or some combination of both.

GUIDELINES

- For the Fall 2021 cycle, award amounts are \$1,000 USD each, payable by check or PayPal or Zelle electronic transfer. The funds are inclusive of production, supplies, and materials costs.
- The theme and focus of the Fund is community building, community recovery, and collective wellness within Bed-Stuy neighborhoods. You can creatively explore these topics with local communities of your choice.
- Recipients have up to one year from the selection announcement to use their funding.
- Recipients will be asked to share documentation (screenshots, images, or recordings, etc), related project stats, and submit a short survey to provide reflection and feedback on the Bed-Stuy Create & Connect Fund initiative.
- Applicants for collaborative works or applicants applying on behalf of a group or organized body should select one member to submit an application for review.
- Applicants can apply for funding multiple times a year, but can only be awarded a grant once within a calendar year. An awardee of a collective may apply again as an individual within the same calendar year. Please note that we prioritize new applicants for each cycle.
- Applicants can apply with new project ideas, ongoing initiatives or programs, or new iterations of past actions. Only one submission per applicant is permitted. An applicant can only be represented on one solo or collaborative submission.
- There is no additional production support with the funds. The LP may assess opportunities for collaboration on a case by case basis, including co-production, technical support, facilitating connections, etc.
- The LP may inquire about featuring you and your work on social media.
- Proposals that are already completed prior to when the grant recipients are announced are not eligible.
- Projects, events, and/or activities should be free to participants, audience, and community members.

SELECTION CRITERIA

Proposals must be able to be developed, installed/performed by the applicant independently without production support from the The Laundromat Project, while taking into consideration current CDC and New York City health and safety guidelines.

LP staff members across departments as well as Bed-Stuy community leaders will review applications and select the Fund recipients. We will evaluate projects by their alignment with the goals of the Bed-Stuy Create and Connect Fund to foster community, relationship building, and collaboration in the Bed-Stuy neighborhood through creativity and community wellness. We aim to select 12 awardees for the 2021 Fall Cycle. Contact our Community Engagement team at community@laundromatproject.org with any questions.
